

LYNN VERHOEF

Professional Player Profile

Lynn Verhoef is a Dutch left-footed defender currently playing for NAC Breda Women. With her physical presence, aerial strength and calmness in possession, she represents the modern central defender profile.

Date of Birth	23 October 2005
Nationality	Dutch
Position	Centre Back / Left Back
Preferred Foot	Left
Height	186 cm
Current Club	NAC Breda Women
Shirt Number	4

Playing Style

Lynn is a physically strong and dominant defender who likes to defend proactively. Her timing and positioning make her effective in aerial duels and difficult to beat in one-on-one situations. In possession, she stands out through composure, vision and her ability to play progressive passes with her left foot. She is comfortable in systems where defenders contribute to build-up play and control the game from the back.

Key Strengths

- Left-footed central defender
- Strong aerial ability
- Physical presence
- Calm in possession
- Progressive passing
- Tactical awareness
- Leadership and communication
- Development-focused mentality

Career Path

- RCSV Zestienhoven
- BVCB
- ADO Den Haag Women Youth Academy

- Jong ADO Den Haag Women
- NAC Breda Women

Scout Summary

Lynn Verhoef is a modern left-footed defender with physical dominance, strong build-up qualities and high development potential. Her combination of height, composure and tactical understanding makes her an interesting profile for clubs seeking a ball-playing central defender.
